

VARIO STAR® TOP SPEED:

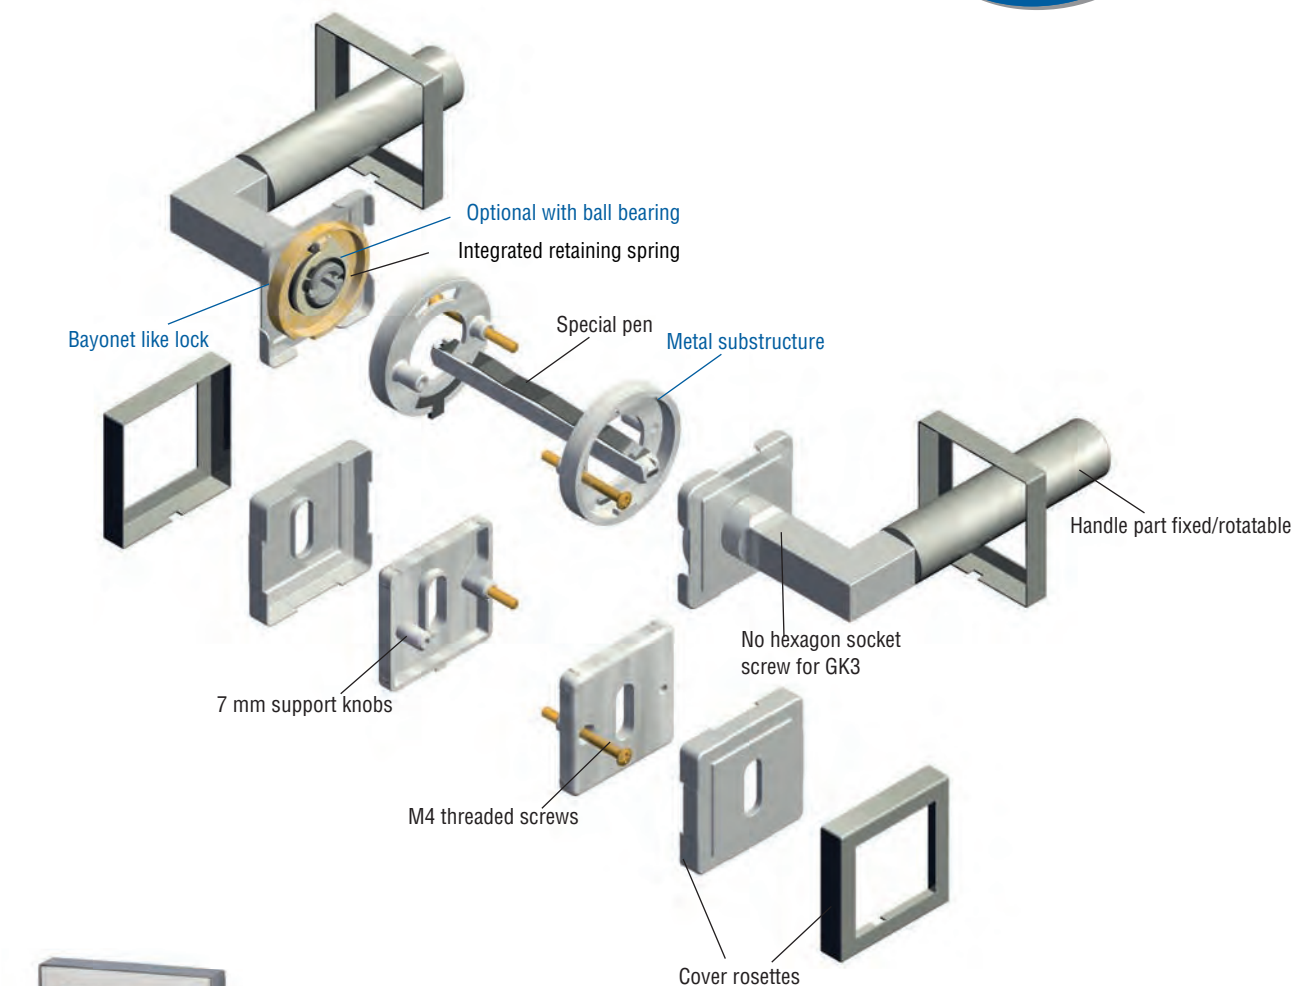

- Innovative concept for improved user-friendliness
- Innovative ball bearing optionally available (GK4)
- Quick assembly "Top Speed" by bayonet lock
- Metal substructure = top reliability
- With holding-up spring = perfect position
- Fixed/rotatable bearing = no wobbling
- No hexagon socket screw for GK3 = perfect optics
- Rosettes Ø 55 mm - covers every 50 mm + 52 mm rosettes, therefore suitable as renovation set
